

Bruce Weaver & Friends

Celebrate Dr. Seuss Day with Ventriloquist Bruce Weaver and his cast of zany characters.

Bruce and his friends have been entertaining at schools, libraries, fairs, club meetings, and Christmas parties for over thirty years and for over thirty years he has been trying to control his mischievous little sidekicks. But it's all to no avail. Edgar, Sheldon, Aunt Gabby, and the rest of the gang always seem to steal the show with their magic, singing, and wit.
